

A Showdown of Royal Proportions

Script by Tim Weeks

Story Synopsis: Welcome to a showdown the world has never seen before. We find our band of ingrates inside the famous Mickey Mouse Clubhouse located in the sunny and tropical paradise of Hawaii. Four princesses are being forced to get along with each other, but we all know how that might turn out. Only one can be named the Greatest Disney Princess of all Time.

Cast of Characters:

Goofy- host of the show

Ariel-our dear red-headed royal mermaid. She tends to be confined to either the pool in the backyard of the clubhouse or confined to the bathtub.

Moana-daughter of chief Tui, she is an avid adventure seeker, unwilling to be talked down too

Cinderella- one trip to the ball was all it took for her to never stop talking about her prince charming, however this does not change the fact that she is without a doubt one of the hardest workers in this clubhouse.

Rapunzel- recently liberated from a rather dull life of being stuck in a tower by a less than stellar mother figure, she is trying to make the best of her newfound freedom, even if it leads to some rather poor choices, and goodness do NOT touch her hair

Scene 1:

We begin our story with the previous news segment ending, and the anchors bidding everyone a goodnight, and to stay tuned for the premiere of the new reality show: "A Royal Rumble".

News Anchor: And that's going to conclude our segment tonight ladies and gentlemen, but stay tuned for the premiere of what will undoubtedly be one of this years biggest hit programs: "A Royal Rumble". Until next time I've been your host, Walt Datney.

_____MUSIC: TYPICAL UPBEAT TV OPENER MUSIC

Goofy: Garsh! Welcome one and all to the first episode of Royal Rumble! I'm your host Goofy, and I will be acting as your unseen narrator and commentator behind everything you

see here. We should probably begin by introducing all of our lovely leading ladies! Ladies, it's so good to see you all here today, can you go down the line and introduce yourselves to the people at home?

_____SFX OF SPLASHING AS WATER HITS THE FLOOR

Ariel: Well, to be honest I think everyone should already know who I am. Daughter of the most powerful king of all the seven seas, mermaid, absolute baddie, Princess Ariel. The rest of these hoes should just give up now cause the title of best princess or whatever it's called is mine bitches!

Goofy: Oh garsh, so nice to meet you Ariel! Who's next?

Moana: Hey everyone! I'm Moana! I'm from the island of Motunui, and I absolutely love being here on the show! I can't wait to see what sort of adventures we can get up too while we are all living together! AH!! It's gonna be so fun!

Ariel: Ugh, will you chill the F out already...

Goofy: Good to meet you Moana! I can tell who the fan favorite is going to be already!

Rapunzel: I'm Rapunzel, I'm kinda not used to all the attention so far since I've sorta been locked up in that damn tower for most of my life, but I guess I'm ready to get this show on the road.

Goofy: Pleasure to have you on the show Rapunzel! Wow! That's a lot of hair you got the-

Rapunzel (cutting off Goofy): Don't touch my hair.

_____SFX CRICKET SOUND INDICATING AWKWARD SILENCE

Goofy: Uh, anyway next up!

Cinderella: Hi! I'm Cinderella, and I'm just happy to be here! I don't really come from any sort of fancy home or have any cool powers but I'm very happy to be considered royalty thanks to my awesome boyfriend! Love you babe! (blowing kiss at the camera)

Goofy: Aww how sweet! And with that folks we have our four princesses/contestants. We will see you on the island ladies!

_____SFX OUTRO MUSIC LEADING INTO THE NEXT SCENE

Scene 2:

Goofy: And welcome back folks! Our princesses are all moved into their new home and I think we should take a look at what they might be up too and how they're all getting along! We have cameras set up all over the clubhouse so we can see everything they are up too!

_____MUSIC UPBEAT DANCE MUSIC PLAYS

Moana: (confused) So let me get this straight, your step mom locked you inside a tower...in the middle of nowhere so she could use the power of your...magic hair to make her immortal??

Rapunzel: Yep, pretty much. My now boyfriend Flynn rescued me and we went on an adventure. It was pretty cool I guess, aside from his jackass horse. But now that I'm free I gotta say it's taking some getting used to being around so many people.

Moana: I can imagine! You have hair that can heal and glow, but can you do this!

_____SFX SPLASHING OF WATER FROM THE OPEN WINDOW AS IT SPLASHES BOTH MOANA AND RAPUNZEL

Rapunzel (wiping water off of her face)(amused) Haha! Wow that's fun! My powers seem kinda lame compared to you...

Moana: Actually, that wasn't really supposed to happen. Ever since we got here I haven't really been able to control my powers as well. (hushed tone) To be honest, I think Ariel is messing with me on purpose.

Rapunzel: That really doesn't surprise me. She seems so full of herself all (imitating Ariel's voice) "look at me I'm Tritons little princess, all the ocean listens to my every word".

They both laugh, just as Cinderella enters.

Cinderella: (distressed) Oh no, not again. Moana can you please be careful with your powers? I'm so tired of mopping up the water you and Ariel keep bringing into the house. I'm not mad just be careful ok?

_____SFX MOPPING NOISE

Moana: Oh, yeah sorry Cindi. I think Ariel is messing with my powers, I was just trying to show Rapunzel how I could control the waves outside the window.

Cinderella: Oh it's ok! Like I said I'm not mad. Honestly cleaning is pretty relaxing to me. Also is it just me or does Ariel like, never leave the bathtub upstairs, what's the deal with that?

Rapunzel: Miss high and mighty is always on livestreaming in the bathroom. It's always the same shit, making fun of anyone who isn't as pretty or royal as she is. She was roasting Moana this morning, talking about how she's the diet version of ocean royalty.

Moana: (irritated) Oh that little...

Cinderella: Eh, don't let it get to you Mo, she'll get what's coming to her.

_____ ISLAND MUSIC BLASTING

All three of the princesses moan in agony as the music blasts through the house.

Cinderella: She's definitely streaming again.

Ariel: (annoyingly) What's up bitches! Let me tell you everything that's been going on here at this dump of a house. First off, Cinderella, all she ever does is clean clean clean, can you imagine!? A glorified house maid at best. Rapunzel is always just suuuuper awkward and lame. Like she is usually reading or some lame shit I swear to god. And worst of all is that stupid island girl Moana. Imagine, you have powers that are so similar to yours truly and you can't even compare to me! Ha! She's so lame I swear. She still has no idea I've been messing with her powers ever since we all got here. Anyway, check out my OnlyFins account! Later losers!

Ariel: (full of herself) God I'm so hot.

_____ SFX DOOR OPENING

Ariel: What the-AHH-!

_____ SFX ELECTRICITY ZAPPING

Goofy: (alarmed) Uhhhh, did any of the cameras catch who just did that?

The next morning....

Rapunzel: (irritated) Ariel? Ariel! Hurry the hell up I need to shower. ARIEL!

_____ SFX DOOR SLOWLY CREAKS OPEN

Rapunzel: What the hell? Agh!

SFX_____ LOUD THUNK AS SHE DROPS HER HAIRDRYER

Rapunzel: Oh my god, Moana what the hell did you do?!

Scene 3:

Goofy: (distressed) This was supposed to be a reality show ladies! Now One of the princesses is dead! Do you have any idea what's going to happen to our ratings?! We're going to get cancelled for this!

Cinderella: Moana, I know you had problems with Ariel, but how could you kill her?!

Moana: (angry) What are you talking about?! I didn't do anything! It had to have been Rapunzel I mean look at her hair! She's soaking wet!

Rapunzel: Are you kidding me Mo?! Women have it bad enough in this industry and you honestly think that I wanna make it worse by killing off one of the most well known and influential female figures of all time?? You're insane!

The three begin arguing and yelling.

Goofy: (yelling) QUIIIIIIIETTTTTTTT!! Unless someone confessed to killing Ariel, this show is as good as done! We are not leaving here till someone admits to it.

Another day goes by.

Moana: Alright, fine I did it. She kept saying I was less than her because I wasn't a real daughter of the sea, and that I was too new of an addition to be of any influence and I just lost it.

Rapunzel: I knew it, I called it!!

Cinderella: What the hell Mo!?

Moana: Well Goofy? I admitted to it can we keep the show going already?

_____SFX POLICE SIRENS WAIL

News Reporter: We have some breaking news from the set of Royal Rumble. We have confirmation now that Moana has admitted to the death of Princess Ariel. We will have more as the story develops further.

Scene: 4

_____SFX JAIL CELL DOOR BUZZES AS IT OPENS

Pocahontas: Well Mo, you're really lucky your dad had such a strong sway over the court. House arrest seems to be quite a mercy compared to life in prison.

Moana: You do realize that I didn't do it right Pocahontas?

Pocahontas: You literally admitted to the murder Mo, what are you talking about?

Moana: I was set up, forced to confess. I can prove it.

Pocahontas: How?

_____SFX DOOR ALARM BUZZES AGAIN AS FOOTSTEPS ARE HEARD APPROACHING

Rapunzel: Well, gotta say I'm sorry Mo. Had no idea that it was all a setup.

Moana: Rapunzel, you got the confession I take it?

Rapunzel: Oh yeah I did.

Pocahontas: Anyone want to fill me in on what's going on here?

We cut back to the news anchor.

Walt Datney: We interrupt this program to bring you a shocking update on the murder of Princess Ariel. We have just been informed that Goofy, host of Royal Rumble and close confidant to the higher ups has just confessed to the shocking murder. He claims that he and another accomplice had planned it, so that the show would end for the benefit of, get this, Cinderella. Goofy and Cinderella have been living at the clubhouse full time since the show ended with Cinderella being crowned the winner. Goofy placed the blame on Moana, and she was imprisoned falsely for it.

Rapunzel: It was that clean freak all along. She let Goofy in so that she could get recognized as a winner in the end. Ha, see how well that worked out for her in the long run.

The three exit the jail after Moana is released.

_____SFX PRISON DOORS CLOSE BEHIND THEM

Pocahontas: Well what are you going to do now Mo?

Moana: I really don't think fame is for me anymore. I'm going home is what I'm doing. And to be honest Rapunzel, you were the fan favorite, you should be the one getting the love and attention.

Rapunzel: Well, I don't know about that Mo, but thanks. You enjoy being back home. I gotta run, I'm meeting Flynn for dinner. See you later!

Moana: Well, time to head home.

Moana returns home, where she enjoys a peaceful life away from the toxicity of fame.
